FOOTBALL star Frank Lampard achieved another goal yesterday when he was awarded an OBE for services to his sport. The former Chelsea and England ace beamed as he was joined at Buckingham Palace by his partner Christine Bleakley. He said of the honour: "It's very humbling."

OZ: I'LL CUT TAX CREDITS

CHANCELLOR George Osborne says he'll press ahead with changes to reduce the welfare bill, despite a defeat in the House of Lords over his plans to cut tax credits.

He received a noisy reception as he faced MPs for the first time after peers backed motions which delay the £4.4 billion cuts in working tax credit and child tax credit. In the Commons, Mr Osborne confirmed he'll announce plans to ease the transition to lower credits in next month's Autumn Statement. But he also said the Lords' unconventional vote raised "clear constitutional issues which we'll deal with". Prime Minister David Cameron is expected to announce details of a "rapid review" of the rules governing the relationship between the two Houses of Parliament.

ADELE will join Graham Norton for a world exclusive TV special, performing classic tracks and songs from her new album *25*.

The hour-long show, entitled *Adele At The BBC*, will be the *Hello* singer's first television performance since the 2013 Oscars when she performed James Bond theme tune *Skyfall*, winner of Best Original Song.

Adele said: "I can't wait for the show. The BBC has been wonderful to me over the years."

"Graham and I get on great, so it's going to be a laugh."

The recording, on November 2, will make the audience some of the first to hear her new tracks before *25* is officially released on November 20.

Adele will also sit down with Norton to chat about her career and life to date.

Norton said: "This is the music event of the year."

STUNNING actress Michelle Keegan has been accused of spending all afternoon **MASTURBATING!**

The former *Corrie* star posted on Twitter: "I have absolutely no willpower! Afternoons alone... doesn't help!"

And her social media followers immediately took to the internet to ask if she meant that she spent a day diddling herself.

One user @thisispreece wrote: "Did you get the rabbit out?"

While Alan Burns was more direct, saying: "Masturbatins awrite mate!"

And @monkeypiro added: "Bit of solo afternoon delight then?" while Richard Thorpe said, "home alone...r u masterbating all around the house again ;) lol."

A pal of the 28-year-old beauty said: "Michelle was devastated - imagine the whole of Twitter thinking you were knuckle deep in yourself."

Maggie set for classic porn drama

SEXY actress Maggie Gyllenhaal is set to appear in a raunchy PORN drama.

The 37-year-old star has been cast to play a hooker in the pilot for new HBO drama *The Deuce*.

The racy show plans to detail the rise and legalisation of adult content in New York, as well as the impacts that drugs and HIV had on the industry and the capitol city.

Set in the 1970s and 80s, Maggie plays a Times Square hooker known as Candy who is a veteran in her trade but has her eyes set on doing grot.

She will be joined on set by fellow A-lister James Franco who plays the leading man behind a pair of twin mobsters.

And *Batman* babe Maggie is also set to do double duty on the drama – as she serves as a producer on the upcoming show.

While the show has only been commissioned as a one-off the inclusion of such Hollywood royalty may be enough to seal it as a series.

Anthrax outbreak in British cattle

ANTHRAX has been discovered in a cow on a British farm – the first case in an animal since 2006.

The disease was detected by officials on a farm in Westbury, Wilts, following the death of a cow last week.

The beast has since been incinerated and restrictions have been placed on the farm.

Mike Wade, deputy director of Health Protection for PHE South West, added: "We are aware of a confirmed case of anthrax disease."

"The risk of infection in close human contacts of the animal is very low, and we are in touch with any potential contacts to offer public health advice."

Anthrax is a bacterial disease which primarily affects herbivorous animals, although all mammals are susceptible to infection.

Depraved care home abuser gets 5yrs more

A "DEPRAVED" carer who filmed herself sexually abusing elderly victims at a residential home and shared the footage with her boyfriend has had five years added to her prison sentence.

Judges at the Court of Appeal in London agreed that the original jail term of 10 years imposed in the case of Christina Sethi, 26 (above), of Torquay, was "unduly lenient".

Sethi was sentenced at Plymouth Crown Court in August after earlier pleading guilty to five offences relating to the sexual abuse of two women and one man in her care.

The victims she selected all suffered from dementia – her eldest being 101. One was terminally-ill with cancer and receiving end of life care.

Sethi used her mobile to record the abuse.

Lady Justice Hallett said: "She sexually abused three elderly, vulnerable, mentally-impaired residents in the most shocking and depraved fashion."

GRUESOME:
How Perry
saw his pal

Marathon TV binge sparks bloodbath

By ROSS THORNTON news@sundaysport.co.uk

A MAN who binge-watched zombie telly drama *The Walking Dead* became convinced his pal had turned into one of the undead... and BEAT him to death.

Damon Perry, 23, and Christopher Paquin were watching the long-running show, which stars Brit actor Andrew Lincoln, when boozed-up Damon flipped.

The Fox TV show centres on a group of people struggling to survive in the aftermath of a zombie apocalypse.

It is notorious for its convincing special effects of rotting undead attacking the living.

After watching back-to-back episodes for a staggering 36 hours, Perry started to confuse fantasy with reality, say police.

Convinced Paquin, 23, was a zombie, he started to attack him with his hands and feet.

He then grabbed a guitar before finally stoving Paquin's head in with a MICROWAVE oven.

Cops in Albuquerque, New Mexico, were called to an apartment after receiving reports that an intoxicated, knife-wielding man was chasing a woman, the police department said.

Gruesome

When they arrived, they found two maintenance workers pinning Perry to the ground.

Paquin's body was then discovered. He was pronounced dead at the scene by paramedics.

"Perry told the investigators he had been drinking large amounts of alcohol when his friend began to change into a zombie," the police department said in a statement.

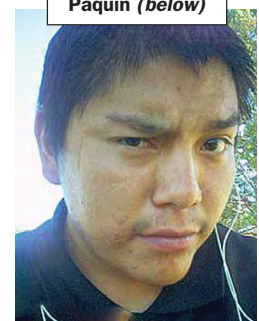

Police detective Moses Marquez said the brutal killing was one of the "weirdest and most gruesome" homicides he had ever come across.

"It was one of the absolute worst crime scenes I've ever seen, and I've been with the department for 15 years," he said.

And a police insider added: "This is pretty grim, there was blood everywhere."

FLIPPED: Perry
(above) attacked
Paquin (below)

"There was not a lot left of Mr Paquin's head. God knows what happened to Perry's brain, he was clearly off his nut."

Detective Marquez revealed that Perry is being held at the Cibola County detention center on \$800,000 cash only bond.

Perry's attorney could not be reached for comment.

There will be a preliminary hearing in the case on November 3.

Chicks with sticks and no knix!

THIS sexy team of ball handlers reveal their TITILLATING tactics – after having a pitch-side meeting in the BUFF.

The lovely ladies from the Lytham St Annes Hockey Club in Lancashire stripped down ahead of a crucial stick grabbing clincher.

And judging by this saucy snap, the busty 14 have plenty up front.

The picture was taken as part of a

naked calendar to raise money for charity the Lytham Sports Foundation, set up to promote sport in the community.

The 2016 calendar includes snaps of the ladies playing, posing outside the town's historic windmill and taking part in a steamy naked exercise session.

Team leader Georgia Perkins said: "All the women were rather shocked when I

first told them about my idea. But they were very excited to take part and I'm very proud of them all.

"It was absolutely freezing when we were doing the photo shoot and we all had to wear dressing gowns between takes.

"It was quite tricky at times, because a hockey stick doesn't really cover very much up – but it was great fun."

JUSTIN BIEBER'S COCK IS WORTH A MILLION!

POP brat Justin Bieber has been offered ONE MILLION dollars to turn his dick into a DILDO.

Sex toy retailer Clone-A-Willy contacted Bieber and offered him the cool sum – worth £650,000 – to become the new 'face' of their firm.

The brand says its kit produces 'a vibrating silicone replica of any penis in the comfort of your own home'.

A company spokesman said: "Justin Bieber – he's popular, talented and now as the entire world knows, quite well-endowed.

"You can only imagine a huge billboard of Justin and Clone-A-Willy.

Enormous

"We know that Justin is a big celebrity and our offer is commiserate with someone of his enormous stature."

But this isn't just for Clone-A-Willy's gain as the company says they are also doing it to help the 21-year-old promote his music.

They added: "It would surely do

wonders to help promote his new album and certainly wouldn't hurt his dating life."

The offer came in light of recent pictures in which a naked Bieber and his Johnson were snapped during a holiday to Bora Bora.

It appears that the do-it-yourself dildo-maker are keen to make the most out of the incident after the leaked

photos almost blew up the internet.

But this isn't the only kinky business proposal offered to Justin as he recently turned down and even bigger offer of \$2million to appear in a gay porn flick.

And while the chances of him agreeing to the latest dildo deal are slim, the prospect of owning of an exact replica of the *What Do You Mean?* hitmaker's dong is sure to fill every Belieb fan with joy and longing.

'Big boy' had socks stuffed in his pants

A SHOPLIFTER left security guards thinking he was very pleased to see them when he stuck a load of SOCKS down his underpants.

And when police tweeted about arresting the man they wrote, "Hey big boy. Man arrested shoplifting Market St yesterday who had stuffed £40 worth socks down his trousers."

He was nicked after security guards caught the man at a shop in Manchester.

Police said they took no further action.

A Greater Manchester Police spokesman added: "A 27-year-old man was detained by security staff after stealing £40 worth of socks and concealing down trousers."

"Police attended. The store will be taking further action under civil recovery process. The man was not detained."

Morrisons staff sue over leak

MORE than 2,000 Morrisons staff are to sue the supermarket for damages after financial details relating to employees were posted online by a disgruntled auditor, lawyers say.

Andrew Skelton, who is in his 40s, was given an eight-year jail term in July after being found guilty of leaking sensitive, personal data relating to almost 100,000 of the supermarket's staff, following a trial at Bradford Crown Court.

Lawyer Nick McAleenan, representing Morrisons' staff taking legal action, says the claim will have implications

He said: "My clients' position is that Morrisons failed to prevent a data leak which exposed tens of thousands of its employees to the very real risk of identity theft and potential loss.

"When employers are given personal details of their staff, they have a duty to look after them."

Skelton's data breach cost Morrisons more than £2 million to rectify.

EU call charges to end by 2017

MOBILE roaming charges will end within the EU by mid-2017 and will be significantly cut next summer after the European Parliament formally approved the rules.

Users will pay the same price to make calls, send text messages and use data wherever they are in the EU from June 15, 2017.

This means mobile users within the EU will be charged the same as they would in their home country.

Roaming charges will become cheaper from April next year, when operators will only be able to charge a small additional amount to domestic prices of up to 3p per minute for calls, 1p per SMS and 3p per MB of data, plus VAT.

The new rules aim to prevent consumers receiving huge bills after data while in Europe.

17-MINUTE RAPE VIDEO 'FOUND ON BECKY COUPLE'S LAPTOP'

Court hears of accused pair's 'shared unnatural interests'

A LAPTOP found at the home of Nathan Matthews and Shauna Hoare contained a 17-minute video of a teenager being raped in her own home, a jury has heard.

Matthews, 28, and Hoare, 21, are accused of murdering Becky Watts in her home in Crown Hill, Bristol, on February 19.

It is alleged the pair targeted 5ft 1in Becky due to a shared unnatural interest in petite teenage girls.

Bristol Crown Court has heard Becky was killed in her bedroom before her body was placed in the back of the couple's Vauxhall Zafira.

It was then driven to their home in

By **CLAIRE HAYHURST**

Cotton Mill Lane, Bristol, where it was dismembered in the bath with a circular saw. Becky's body parts were discovered in a garden shed in Barton Court – 80yards from their terraced property – on March 3.

Virgin

Richard Posner, junior prosecuting counsel, read a series of agreed facts to the jury including evidence on fingerprints, custody records and digital material.

"A laptop computer HP Pavilion

House. It contains the attacker putting his hand over her mouth for one minute."

Forensic downloads of phones handed to police by Hoare and Matthews contained bookmarked websites. There were 38 bookmarked pages related to pornography or escort sites.

On Matthews's phone, 12 were from a teenage pornography site. Three were of threesomes.

The trial continues.

'I DIDN'T INTEND TO KILL HER'

TEARS: Nathan Matthews

NATHAN Matthews broke down in tears as he told a jury he did not intend to murder his stepsister Becky Watts.

He started crying and slumped into the witness box holding his head in his hands as he started giving evidence during his murder trial.

Matthews and girlfriend Shauna Hoare are accused of killing the 16-year-old in a sexually motivated kidnap plot.

Adam Vaitilingam QC, defending, asked his client: "Did you intend to kill Becky?"

Fighting back tears, Matthews replied: "No."

Mr Vaitilingam asked: "Did you intend to cause her really serious injury?"

Matthews answered: "No." He then burst into tears, telling the court: "No, no... no I didn't."

He then slumped into the witness box holding his head in his hands and loudly crying. He paused to compose himself and took some sips of water before continuing to give his evidence.

Matthews entered the witness box on day 14 of the trial to give the jury his account of events in February and March this year.

Mr Vaitilingam asked him: "Excluding Shauna, did you have a plan to kidnap Becky Watts?"

Matthews replied: "Yes."

Mr Vaitilingam asked: "Was Shauna part of that plan?"

He replied: "No."

Mr Vaitilingam asked: "You admit that you had a plan to kidnap Becky but you deny that you conspired with Shauna to do so?"

Matthews told the court: "Yes."

Mr Vaitilingam said: "You and Shauna Hoare are charged with the murder of Becky Watts. Putting Shauna out of the picture, the jury have been told that you pleaded not guilty to murder but pleaded guilty to manslaughter. Is that right?"

Matthews replied: "Yes."

Referring to the perverting course of justice charge, Mr Vaitilingam asked Matthews: "You admit that you hid, then dismembered, then hid again Becky's body?"

Matthews said: "Yes."

Mr Vaitilingam asked: "Do you admit you lied to police when they were investigating her disappearance?"

Matthews told the jury: "Yes."

Mr Vaitilingam asked his client whether he had prevented the lawful burial of a corpse and he replied: "By my actions, yes. I didn't... yeah..."

Matthews, of Warmley, South Glos, denies murder and conspiracy to kidnap.

He admits killing Becky, perverting the course of justice, preventing the burial of a corpse and possessing a prohibited weapon.

Hoare, of Bristol, denies murder, conspiracy to kidnap, perverting the course of justice, preventing burial of a corpse.

STRAIGHT TALKING

FROM UKIP'S DEPUTY LEADER

Cam hasn't learnt from Blair's folly

I WAS amazed at what I saw at Twickenham on Sunday.

Australia's rugby team faced Argentina in the Rugby World Cup semi-final.

The place was a sea of sky blue of support for the Argies.

Now, I'm all for sticking up for the underdog in sport, but supporting Argentina over our Commonwealth cousins?

Whose national flag incorporates our own? Never!

TONY Blair went on U.S. television last week to give what some have suggested was a cynical apology for the Iraq war.

Many claim he knows that the never-ending Chilcot Report – first commissioned in 2009 – is finally coming to a conclusion and he wants to get his side of the story in first.

Blair apologised for the misreading of the intelligence which suggested the enemy had weapons of mass destruction, and also admitted he had not sufficiently planned for a post-Saddam Hussein Iraq.

But he refused to apologise for the removal of Saddam. And on the face of it that sounds plausible as Hussein was an evil and cruel dictator.

Yet if we used the fact he was a nasty man as a reason to invade Iraq, why did we do nothing about Robert Mugabe in Zimbabwe who was also treating his own people in an appalling fashion?

I was opposed to the war in Iraq at the time. Not because people were saying it was an illegal war or because I'm a pacifist – I was

opposed because it didn't make any sense.

The only person Osama Bin Laden and al-Qaeda hated more than George W. Bush was Saddam Hussein. That was because he dealt with al-Qaeda ruthlessly and kept a lid on the extremists.

So I thought, why remove a secular dictator when it was clear that once he was removed al-Qaeda would move in?

And as we now know, that's precisely what happened.

Lessons

I argued then and I still argue now that Islamic extremism was and is a greater threat to us and the rest of the globe than dictators like Saddam. I think I have been proven right, but amazingly our politicians don't seem to have learnt the lessons of history.

Fast forward to 2011 and David Cameron repeats Blair's folly by helping to remove Colonel Gaddafi in Libya.

Guess what? The same thing happened again. The dictator was removed and the extremists moved in. And as a result of our collective madness in Libya, we

encouraged an uprising in Syria.

Not content to admit we had got things wrong twice before, we tried the same thing again when Cameron attempted to get permission to bomb Syria to remove Bashar Al Assad.

It's like we're banging our heads against a brick wall.

The Arab Spring was a con job and Cameron and President Obama fell for it hook, line and sinker. And amazingly, they're still falling for it now.

I said it on national television in 2012 that we didn't know who the so-called rebels actually were in places like Libya and Syria.

And judging by the fact that Tripoli is now overrun with Islamists, and half of Syria is controlled by Islamic State, then I was right to air my concerns.

So it's time for some grown up politics. This isn't the college debating society – this is real geo-politics. There's no black and white or good and evil, just grey areas and lesser evils.

And as far as I can see, in comparison to Islamic State, the strongmen were and are the lesser of those two evils.

WHAT'S ANNOYING HIM

THIS WEEK?

Bacon sandwich bad? That's b-utter bollocks!

EVERYTHING that makes us happy is bad for us.

Sugary drinks? Kill you. Chocolate? Makes you fat. Booze? You're an alky.

Fags? You're virtually dead. Now honest-to-goodness bacon, sausages and ham are said to be more dangerous than just about anything else on earth.

The humble banger, the much-loved breakfast rasher, and the sandwich filling of millions every day, are now said to be a cause of cancer.

Red meat has been placed up there on the danger scales alongside arsenic and asbestos. Which means the World Health Organisation compares scoffing a bacon butty in the morning to chewing down on an old factory roof.

Their officials say consuming just 50g of processed meat a day – which is less than two ounces and just over one decent sausage – increases the risk of developing bowel cancer by almost a fifth.

Yet the problem with these landmark health rulings is they often turn out to be complete and utter hogwash.

Red wine is a good example – one month it's deadly, the next it's beneficial. Although most people agree that like everything else, it's probably no bad thing in small doses.

Red wine with your breakfast roll, on the other

hand, almost certainly is bad for you. Especially if you're about to set off to work as an airplane captain or crane operator.

But we all know this, don't we?

The truth is that most people aren't thick enough to believe that living on a diet of doughnuts, whisky and fags is good for them.

YOU may have noticed the launch of the new James Bond film on Monday evening.

Daniel Craig was there surrounded by his stunning fellow cast members Naomie Harris, Léa Seydoux and Monica Bellucci as well as his real-life fox of a wife, Rachel Weisz.

On top of that he's paid squillions to play arguably the coolest movie role on earth, with the best gadgets, the biggest crew, and filmed in the most exotic locations.

Sounds like a pretty ace life to me. What a shame he doesn't seem to appreciate it.

EMMA LO

By JACK MOTTERSHEAD

jack@sundaysport.co.uk

AWESOME Emma Louise admitted that no fantasy is too extreme for her after she discussed her kinky fetish for BONDAGE bonking.

The scorching 30G babe lifted the lid on her love for whips and leather after she revealed her ex-boyfriend dubbed her 'the kinkiest girl he'd ever met.'

And while she's left the PVC at home for this exclusive photoshoot, the 27-year-old still shows us how amazing her hot bod is when stripped naked.

Emma said: "I am definitely one for some spanking and I'm no stranger to slipping into the highest heels you can imagine and cracking my leather whip!"

"No matter what time of day it is, either. Often ss soon as I open my eyes I'm gagging for a good seeing-to."

And as long as boob fans keep liking what they see, the Essex-born model announced she has no plans to ever stop showing the world her enormous fun bags.

She added: "I'll always have that urge to flash my boobs."

"I can always do a MILF photoshoot when I'm about 50!"

THE BOOBS ITV DIDN'T SHOW ON DOC MARTIN

SEXY Sigourney Weaver sent temperatures soaring after making a cameo appearance in TV medical hit drama *Doc Martin*.

And if that wasn't enough, here she is showing off her busty thermometer breakers.

The sensual *Aliens* actress appeared in the ITV comedy alongside *Men Behaving Badly* star Martin Clunes on Monday.

But here is the 66-year-old treating herself to some one on one action in an exclusive never before seen naked snap.

One source said: "Doc Martin is a family friendly show, so bosses at ITV obviously wanted Sigourney to keep her clothes on - which is a shame, because she has an incredible pair."

Doc Martin follows Clunes as a hapless GP struggling to cope with married life while trying to treat the residents of a Cornish coastal village.

Kate thrilled at new indy film award

OSCAR-winning actress Kate Winslet has said she is "honoured" to receive a special prize at the 2015 Moët British Independent Film Awards.

The *Steve Jobs* star will be presented with the Variety award, which celebrates a British director, actor, writer or producer who has made a global impact, at this year's ceremony in London.

Kate, whose Oscar was for *The Reader*, joins Dame Helen Mirren, Daniel Craig, Benedict Cumberbatch and Sir Michael Caine in the list of illustrious past winners.

The 40-year-old said: "I am thrilled to be receiving this award and to be in the company of a host of brilliant filmmakers and actors, many of whom I'm lucky enough to call friends and colleagues."

"It's an honour to be flying the flag for British film-making."

This year's BIFA awards will take place at Old Billingsgate in London on December 6.

GAY TEEN'S SEX ATTACKS ON FOUR GIRLS

Kitchen knife thug is jailed for 17yrs

By COLIN HURST

news@sundaysport.co.uk

A TEENAGER stabbed two schoolgirls and sexually assaulted others when he could not come to terms with his sexuality.

Callum Stroomer left one of his victims blind following a knife attack, he raped another, and molested another victim, in a string of offences targeting girls.

The 18-year-old, from Reading, Berks, revealed he stabbed the two 15-year-old girls with a kitchen knife because he wanted to know what it was like to kill.

He admitted causing grievous bodily harm with intent and a string of sexual offences but

denied attempted murder.

He was jailed for 17 years by a judge at Reading Crown Court.

Stroomer was just 17 when he thought about what it would be like to kill someone and was interested in 'violent things'.

He stabbed the girls, who cannot be named for legal reasons, on March 1 after a row started when he refused to leave a house in Bracknell, Berks.

He left the victims bleeding on the floor and rang 999 reporting that two men had broken in and attacked them.

One of the girls, giving evidence from behind a screen, said the last thing she remembered was smacking the back of her head on a kitchen cabinet and falling to the floor after being pushed by Stroomer.

The teenager also admitted six sex offences against two different girls aged between 13 and 15 years.

He also 'pestered' victims to send him explicit photos and

sexual text messages. He then used a topless photograph to blackmail one girl into doing a sex act and assaulted another at an ice rink.

James Bloomer, defending, said he lashed out at the girls because he was struggling with the fact he was gay.

He said: "It is possible in our view to see this clearly calculated and unpleasant behaviour against women... as a quite unacceptable, wholly inappropriate way of acting out heterosexuality, that he felt a reason to act out."

James' hottest chat show guests... naked & topless!

FUNNYMAN James Corden has bagged a £3million deal to extend his US talk show contract, such has its success been.

And he certainly appears to have the breast show on telly – thanks to these busty guests.

The 36-year-old has wowed audiences across the pond with his quick British wit and hilarious sketches since taking over *The Late Late Show* from Scottish host Craig Ferguson.

But it's the calibre of his guests that have kept male viewers interested – with Naomi Campbell, Helen Hunt, Mila Kunis and Claire Danes all making an appearance.

Stunning

And the hotties made for titillating viewing, as these topless snaps show.

A source said: "A talk show lives and dies on the quality of its guests."

"*The Late Late Show* has had its fair share of stunning celebrities."

London-born Corden took over the show in March and is contracted

to front the CBS series for another two years.

The star got flak for taking his hands off the wheel while filming hit feature *Carpool Karaoke*, belting out tunes with chart toppers including Stevie Wonder, Mariah Carey and Rod Stewart.

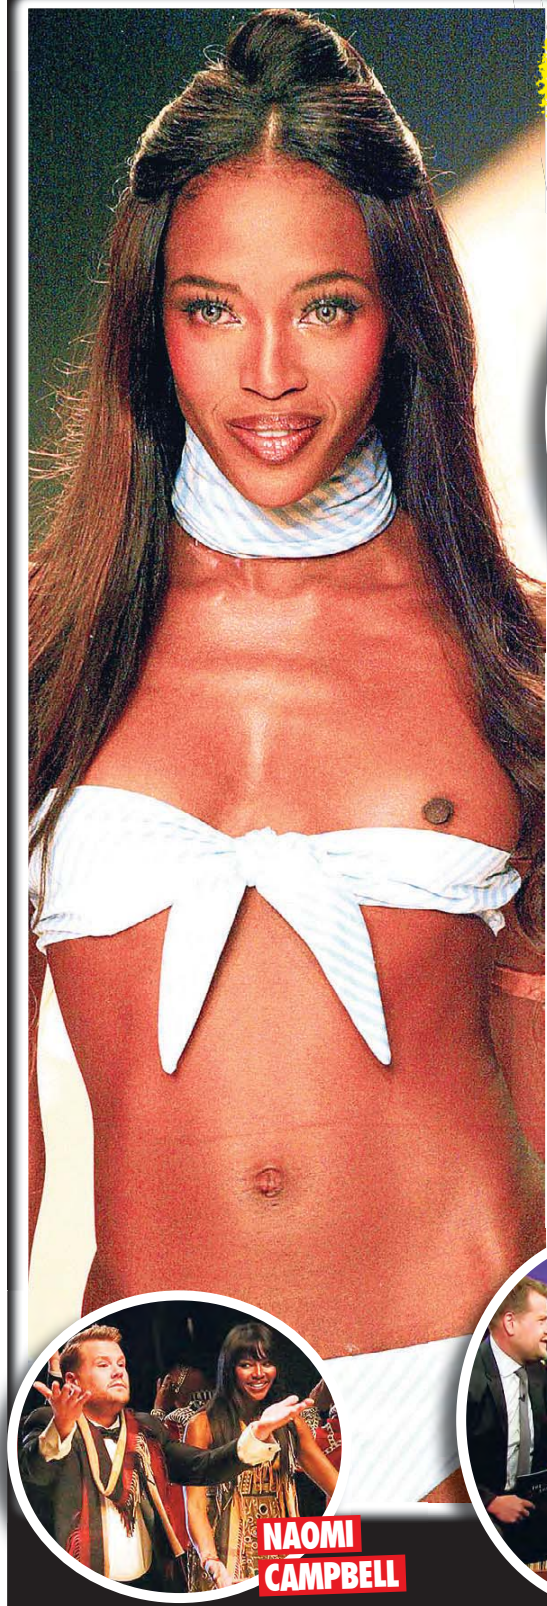

But that didn't stop the comic being offered a contract renewal in August after raking in 1.2m viewers a week.

Relax, lads...

LET HIM BE: 1D's Liam Payne

it's OK

to shag around!

LIAM Payne has split up from his girlfriend, and I say good for him.

He's young and should be allowed to shag around and fall out of nightclubs drunk – that's what you do when you're 20.

Famous

I went through exactly the same thing when I became famous at 16.

There wasn't a day that I

wasn't pictured showing my boobs on a night out and flashing my knickers getting in and out of cars.

The One Direction boys have done some great music, but they shouldn't be judged on how they behave in their personal lives.

I say leave them to it, let them be young and grow up without things being taken too seriously.

It's embarrassing.

I CAN'T wait to see the new Bond movie. Daniel Craig (below) is absolutely brilliant as 007, and the last one *Skyfall* is one of my all-time favourite films.

Spectre is supposed to be full of action and the Bond girls this time are really gorgeous. Léa Seydoux is lovely, but it's also nice to see Monica Bellucci represent the brunettes.

It has all the same people in it as last

time, too, which is great. I was reading all about the premiere so I'll be popping along to the cinema soon.

Recently I had a photo taken on a beach up against a palm tree and ever since I've been bombarded with comments on my Twitter that I look like a Bond girl.

It's had loads of likes – it's a very popular picture of me with my boobs out.

I'm sure you'd agree I would make a brilliant Bond girl!

13-15TH NOV 2015
OLYMPIA LONDON

I WAS approached by a bloke who asked me to make some NIPPLE PRINTS for him.

So this week I'm going to be dipping my boobs in ink. And my fans will be glad to know that I'll be taking some saucy pictures of me doing it!

I have a busy few weeks ahead because I'm getting ready to go Trick or Treating on Halloween with

my son. It's the first Halloween I've had in my new house so we're going round the neighbours.

I'm dressing as a scary skeleton and I have a great mask.

I also need to prepare for the first Sexpo in London on November 13, 14 and 15.

It's at the Olympia in Hammersmith and it should be fun because Farrah from *Celebrity Big Brother* is

going to be there. And if that wasn't enough, I've started getting the house ready for Christmas.

I already know where I'm putting my tree and I'm organising the day.

It's going to be a small family affair in the McKenzie household with my sister.

I can't wait. I love Christmas, it's one of my favourite times of the year!

showing off her great curves in the seat behind.

The daring group braved the cold at Southend's Adventure Island as they rode the Green Scream without any clothes on, all in the name of charity. But this isn't the first time that the seaside amusement park has held such a racy stunt. Back in 2010, a daring 102 people rode the same ride in the buff to set the Guinness World Record.

Unfortunately, only 57 people were brave enough to bare

all this time round but still managed to raise over £10,000 for the Southend Hospital Charitable Foundation's Keyhole Cancer Appeal.

Andrew Renton, the park's operations director, said: "It's been an absolutely superb day with people all enjoying the chance to do something memorable and raise a large amount of money for a fantastic, local charity."

"I am really proud Adventure Island could offer them this opportunity."

People travelled from as far as Edinburgh to take part at the event in Essex, all in order to raise money for the cause.

BRAND'S RANT AT EX KATY

HARSH: Russell

POP babe Katy Perry has been slagged off by ex-hubby Russell Brand in his new documentary.

The big-boobed singer is branded "vacuous" and "plastic" and the "very thing I detest" by the man she once loved in harsh scenes from *Brand: The Second Coming*, filmed during their romance.

The harsh critique comes almost four years since the comedian ended his 14-month marriage to Katy, 30, by text message.

Talking of their downfall, Russell recounts how he began to loathe his A-list wife and everything she stands for following a 2010 visit to Africa for Comic Relief.

He said: "The stuff in Africa hit me really hard. I'm associated with the very thing I detest: vapid, vacuous, plastic, constructed, mindless celebrity."

Referring to life as Katy's husband, he added: "That's the very sea we're swimming in. 'Oh, who's he? He's married to Katy Perry'."

In the programme, which hits cinemas this week, 40-year-old Russell's close friend Noel Gallagher gives his take on the relationship, recounting the moment he knew the pair were destined for divorce.

He said: "Russell calls me up once and says, 'What happens when she wants to watch a film and I want to watch another film? It's doing my head in!'"

"And I was like, 'Just let her watch the f**king film.' I knew at that point this ain't gonna go much further."

QUANCE

By JESS GALLEY
jess@sundaysport.co.uk

RAUNCHY redhead babe Camilla Quance is so **KINKY** she has already experienced almost all of her naughty sexual desires.

The 27-year-old stunna revealed the only fantasy left that she hasn't yet tried is to seduce a girl who is the exact opposite of her, before indulging in a steamy **LESBIAN** romp. Camilla, from Epping, said she would love to be a 'really wholesome' girl and show her who's boss by playing college girl and lecturer and bending her over a desk for a spanking.

Roleplay

The 32G model said: "I'd love to bed a girl who was the complete opposite of me – someone really wholesome and girly, in a pink college girl outfit and with her hair in buns."

"We'd have a little roleplay and I'd show her who was boss – ripping off her clothes, pulling down her panties and making her climax with my tongue."

"I'd then play teacher – bending her over a desk and spanking her for handing her assignment in too late!"

Corrie Sean: People think I deal drugs

CORRIE dealer Sean Ward revealed fans mistake him for an actual pusher – and demand DRUGS.

The 27-year-old landed the role as cobbles bad boy Callum Logan last year.

But he told how since taking on the part in the ITV soap, he's been **HOUNDED** by addicts looking to get high.

Manchester-born Sean said: "Everyone wants drugs."

"Even when I'm with my mum, they'll come up and be like, 'have you got any drugs mate?'"

"I'm like no, it's acting."

"It's always some random scally."

The actor's character is the ex of *Corrie* staple Kylie Platt.

And Callum has already caused a stir after dealing drugs to his former lover.

He also snogged Tina O'Brien.

Sean added: "It's a dream come true."

His role as evil drug dealer Callum came to a brutal end when he was murdered in the spectacular live *Coronation Street* episode five weeks ago.

He was whacked with a wrench by Kylie for attacking her sister-in-law Sarah.

Since then, Sean has auditioned for the cult HBO fantasy series *Game of Thrones*.

29 hour sex hell of slave hubby!

A WOMAN has been accused of LOCKING her husband inside their home for 29 hours and FORCING him to have sex.

The 40-year-old has been charged with marital rape after the man managed to escape and call the police.

The couple are going through a divorce and it is thought the wife wanted evidence that the relationship was still physical so she could get a better settlement.

It is believed she made the man have sex at least three times during his ordeal in the South Korean capital Seoul.

He was tied to the bed and stripped completely naked while she had her way with him.

Traumatised

A Seoul police insider said: "This is a very bizarre case, it's the first of its kind in the country."

"For many men, being locked up and made to have sex is a dream come true."

"But having sex against your will is not a pleasant thing."

"This man is now traumatised."

"The pair are in the middle of getting

divorced due to marital breakdown.

"She thought if she could prove they were still having sex, then she would get a better settlement."

"She is clearly not well in the head if she thought this would work – clearly she is nuts."

"I really feel for this guy."

In 2013, marital rape was recognised as a crime for the first time in South Korea.

The Supreme Court upheld a lower court's verdict to jail a man who forced his wife to have sex while threatening her with a weapon.

BOND is finally back with *Spectre* being the newest edition of one of the world's biggest movie franchises.

And while this is Daniel Craig's fourth outing as the hunky secret service agent, it's the turn of 23-year-old superstar Sam Smith to perform the latest theme tune.

His track *Writing's On The Wall* is the first song in over 50 years to be sung by a British solo male ever since Tom Jones belted out *Thunderball* way back in 1965.

All the great Bond themes are featured tonight on BBC4 in the show *Sing James Bond*.

Performances include Adele's *Skyfall*, Tina Turner's *Goldeneye* and Shirley Bassey's *Diamonds Are Forever*.

So in light of the new show, we've dug out many of the boobs that created these timeless classics - for your eyes only.

In addition to singing the *Die Another Day* theme tune, Madonna flashed the flesh many a time in her kinky career. One of those moments came in the 1993 flick *Body Of Evidence*.

Stripped

Racy Rita Coolidge may have been the voice behind *Octopussy* (1983) but she also appeared in front of the camera and got them out in 1973 movie *Pat Garrett and Billy the Kid*.

You *Only Live Twice* was sung by Frank Sinatra's daughter Nancy, who not only had a great voice, she showed she had great tits when she got 'em out for May 1995's *Playboy* magazine.

And though Carly Simon and Sheryl Crow never stripped off the sexy singers showed off their awesome nips in a tight sweater.

Alex: Katie has the best sex with herself!

KINKY Katie Price dressed her ex-hubby as "herself" before bonking – because she had better **ORGASMS**.

Cage fighter Alex Reid, 40, claimed the glamour model kitted him out in her clothes and make-up in the bedroom.

He said they would then perform "obscene" acts together.

Aldershot-born Alex revealed his alter-ego 'Roxanne' shortly after the couple's divorce back in 2012.

He told how the 37-year-old brunette (above) would pic his clothes on nights out and then take him home for a romp.

He said: "Katie did my make-up before bed. I was supposed to look like Katie."

"I never thought of it like she wanted to sleep with me while I looked like her, but maybe she did. Like a Katie clone."

Alex made the comments after Brighton-born Katie announced she still holds on to intimate footage of her ex.

He added: "She said she had better orgasms with Roxanne than she did with Alex."

POP BABE KEEPS HER BIKINI BODY SO FIT...

Life's a beach for Tulisa!

By **SAM WALKER**
samw@sundaysport.co.uk

SEXY pop babe Tulisa Contostavlos looks PERT-fect as she flaunts her gorgeous bikini body.

The 27-year-old star stripped off in a series of revealing bikinis while on a beach holiday.

And she clearly loves a quick dip as she splashes around in the sea.

London-born Tulisa shot to fame in N-Dubz in 2008.

But it's her own special chart-toppers that male viewers will be focused on if these saucy snaps are anything to go by.

A source said: "Tulisa is in great shape – she clearly takes pride in her sexy curves."

"She's been criticised for having fillers in her face, giving her a trout pout."

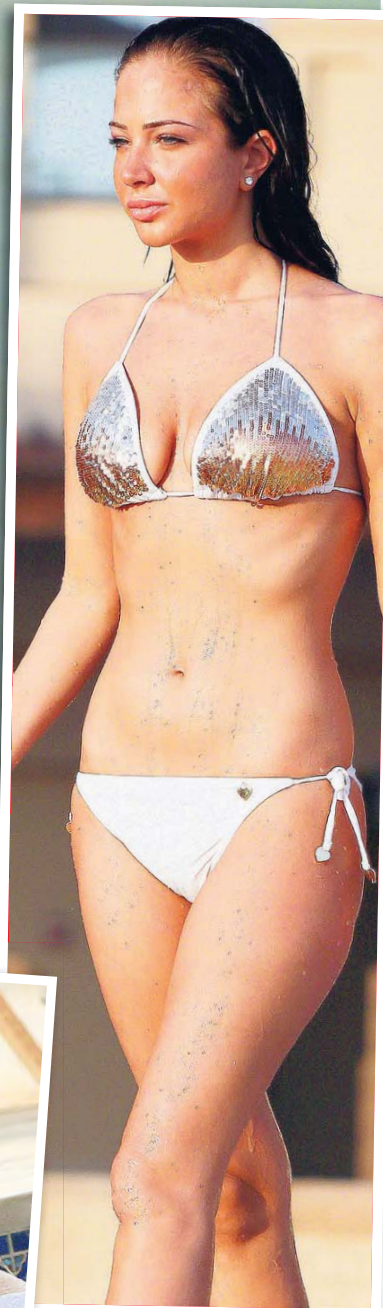

"But as long as she has that body, her other lady lips will have no shortage of attention."

Last month the stunna was arrested for allegedly being involved in road smash.

The singer is accused of crashing a £150,000 Ferrari outside a Tube station in north London.

She was held for almost 22 hours at Edmonton police station but released on bail until November.

She has yet to be charged with an offence.

Teens 'can't live' without phones and social media

MOST teenagers could not last more than a DAY without using social media or smartphones, according to new research.

A survey of 2,000 youngsters found that two out of three spend an average of two hours a day on social media – and more during school holidays.

A similar number admitted sending a text to a family member while sitting in the SAME house.

Travel rewards firm Avios said its study found that family time was more likely to consist of watching TV than eating a meal together at the table.

Psychologist Dr Aric Sigman said: "These results indicate that children are clearly spending more of their spare time in the virtual world, reinforcing the need for families to take stock and ensure children spend more time in the real world."

Three out of four teenagers said they could not last a day without using social media, with one in seven admitting they would not last an hour.

Fact me!

A survey on how we cope with stress found that Italians brawl and bonk, the French soak in the bath, Americans eat... and Brits turn to booze

Riff guide to Hendrix home

THE London home of legendary 1960s rock guitarist Jimi Hendrix will be opened permanently to the public in 2016.

The property – at 23 Brook Street in Mayfair – will be the only former Hendrix property in the world open to the public from February.

It is next to Handel House, where baroque composer George Frideric Handel lived for 36 years during the mid-1700s.

Visitors can explore the top floor of Hendrix's flat following a £2.4million restoration project.

Hendrix moved there in July 1968. The Handel & Hendrix exhibition will trace his life in London in 1968 and 1969.

Alistair Stranack, chairman of the Handel House Trust, said: "It is hard to think of another home in the world with such a concentration of musical genius."

HOLLY Willoughby has admitted she's proud of her bra busting BOOBS.

The 34-year-old picked up the nickname Willoughboobie after flaunting the cleavage on prime time television.

And the sexy *This Morning* presenter admitted her pert pair will ALWAYS be on show for the wide angle cameras.

Because she LOVES it when blokes get an eyeful.

Favourite

The 34DD stunner said: "I am guaranteed to be naked on TV."

"I don't mind people fixating on my cleavage. It's fine."

The Brighton-born babe has just returned to the ITV morning show alongside co-host Phillip

Schofield after having her third child with husband Daniel Baldwin.

Her ample pair are also a huge favourite with comic Keith Lemon, who she stars with on racy panel show *Celebrity Juice*.

A study earlier this year found that Holly has the most ENVIED boobs on TV.

But despite the result, BBC bosses received 139 complaints after the she wore a cleavage baring dress on singing show *The Voice* two years ago.

Holly added: "I don't take much notice of these things, they're just boobs."

Summer ST CLAIRE

SEXY Summer St Claire has lifted the lid on her love for fast-paced action after admitting she used to BONK in cars.

The 32E scorcher revealed how she loves to put a kinky show on for people and doesn't care if anyone catches her! So buckle up and get your engines revving as the busty blonde shows just how hot she is in this brand new photoshoot –

By JACK MOTTERSHEAD

stripping down to nothing but her favourite pair of suspenders.

Summer said: "I'll be honest, I've done it in a few strange places – my car being one.

Naughty

"I used to do it with an ex in a car park near where I worked all the time. It's the

thrill of it and the thought of how naughty I'm being, which always turns me on.

The 24-year-old also explained her secret hobbies which keep her flexible and make sure all eyes are always on her.

She added: "I used to do pole dancing – I got so much exercise out of that I can do all sorts of things like the splits, which I'm sure would go down really well in the bedroom.

"I never got the chance to perform my routine for a boyfriend but I would definitely like to do it in the future."

Cybersex is taking off – because cheating online is so easy

CYBERSEX is on the rise after research revealed the Internet has made it easier to cheat.

The shocking figures showed that advances in technology have made it simple to do things like sending racy naked snaps and X-rated cybersex sessions – which has contributed to a rise in unfaithful partners.

The survey was carried out by The Open University and the majority of respondents agreed that the Internet was to blame for infidelity becoming more common.

The anonymous online survey, among 20 to 73-year-olds, also revealed that men and women have different opinions as to what counts as cheating online.

Dr Vossler said: "Our research revealed that men and women do see

internet infidelity differently. But it is not just a gender divide – what is experienced as infidelity online can vary from person to person.

"What might be seen as casual chatting by one partner is hurtful and disloyal to the other, for instance.

Flirting

"With the Internet and social media now being part of everyday life in the Western world, there are growing opportunities for partners to engage in online behaviours and activities that may be considered unfaithful – including cybersex, exchanging sexual self-images, online flirting and dating."

Sport model Carmen Croft admitted she didn't see the harm in flirting or

exchanging messages with someone else online, even if you are in a committed relationship.

The 36D stunner said she wouldn't be upset if her lover had been emailing another woman behind her back, but she would draw the line if their messages turned to sex or they swapped nude pics.

The 25-year-old, from Islington, said: "I don't see the big deal with people chatting to each other online.

"If I was on a night out and someone approached me, I wouldn't do anything with them if I was in a relationship but I don't think it would be wrong for me to talk to them or flirt a little bit. So why should it be different online?"

"I think the research is right about it being easier to do things like send naked pictures to people, because you can connect with strangers so easily.

"I would never send a sexy photo to someone I met online though."

MY SEX FANTASY WITH TARA MAY

TITILLATING Tara May loves nothing more than feeling the air on her nipples!

The 32DD beauty says sex in a bed is BORING and she loves adventurous outdoor nookie!

And the sexy brunette gets a thrill from knowing she could get caught during saucy alfresco romps.

The 23-year-old Essex stunna said: "There's something so kinky about doing it outside."

"I've done it in a park, on a beach, in fields, in a swimming pool and in a car."

"The kick is that you're in public and

anyone could walk by and catch you going at it.

"One time I was on holiday in Tenerife when I met this fit guy in a bar and we went back to the hotel together."

Horny

"We decided to have a late night skinny dip in the swimming pool – and one thing led to another."

"It was incredibly horny! It's warm, you're feeling sexy and tanned, and

your inhibitions are gone because you're enjoying yourself on holiday.

"I also fantasise about going off for a picnic in a secluded field or woodlands with a date on a nice sunny day."

"We end up kissing, and again one thing leads to another and my bra is off. It would feel so naughty having my nipples exposed outdoors."

"Forget the picnic grub, I'm sure there'd be something else I could get my mouth around!"

"A dog walker or farmer could come along any moment, but I love it when it gets so passionate that you wouldn't stop if they did!"

Has babe made a right balls-up of blowjob?

Dear Nickie,

I MET this girl at a posh club the other night and what an up-for-it babe she turned out to be.

She was the best looking woman I'd ever been with – she had no bra on and her tits jiggled all over the place as she moved.

Anyway, back at my place afterwards we were snogging and groping when she said how much she loved oral sex.

I offered to go down on her right there and then. I mean, what girl doesn't like to have her fanny licked?

But she said she preferred more to give it than take it so I let her get on with it right away. I whipped out the old fella and

flashed it at her and when she saw the size of it her eyes lit up.

I'm not the sort of bloke to boast but when I say I have a cock that women go wild about, I mean it.

The rest of me is pretty good as well, although I'm quite modest about it, of course.

Well, she couldn't keep her hands off my enormous dick. She insisted I get naked and soon I was flat on my back on the carpet with my tool sticking upright.

Throbbing

She went down on me and her hot tongue flicked out over the tip of my throbbing prick before she opened wide to take my engorged bellend into her soft wet mouth. I could tell she loved the taste because birds always do, although I wouldn't brag about it. It's just one of those things.

She sucked and slurped for a while and then slid nearly my full

length deep into her throat – and that was just the start!

She proceeded to give me the most amazing blowjob any woman has managed to give me, and I mean BLOW!

Sure, she sucked a bit as well, savouring the magnificent taste of my mighty organ.

It wasn't long, of course, before I unleashed a thick wad of creamy man-muck into her mouth which she swallowed down with great enthusiasm.

But now my balls have nearly doubled in size. Do you think this is because of the way she gave me a blowjob?

NT, South London

Nickie says...

SEEMS to me your balls have swollen to match your ego!

Letter of the day

Dear Nickie,

I WAS at a club with a couple of chums recently when I noticed a girl giving me the eye.

She looked like something out of *Shameless* so I quickly looked away, but she kept staring at me all night.

After failing to pull anyone else, I told my friend to ask her if she fancied coming back to my apartment, and she agreed.

After a chat and a few drinks she stripped off. Her body was surprisingly good so my mate and I got well stuck in.

She grabbed both our cocks, which were primed for action, and sucked us both off.

Then, as I tugged her from behind, my chum got relieved between her breasts, which left her face dripping with his juices.

We've made an arrangement where one or other of us entertains her sexually once a week. But she wants to come out to restaurants and such with us, which is a bit of a no-no, frankly, because of she's quite a bit beneath both of us, class-wise. Do help.

EK, Kent

Nickie says...

I HOPE she meets a nice bloke who kicks your arses, you stuck-up prick.

Boner gets me bonus

Dear Nickie,

I WENT to a company do last month and was introduced to the boss's wife. She's gorgeous, 38, blonde with a perfect body.

She also likes a drink and as the night went on she became very merry and started coming on to me. She said that she was looking for a toyboy – I'm 21 – and asked if I'd be up for a blowjob, so obviously I said yes.

She led me to her BMW and gave me head on the back seat. Since then I've seen her a few times at her house. She likes to wear lingerie and loves it doggystyle, and being taken up the arse.

Last week out of the blue my boss asked to see me. I was shitting myself, but he surprised me by telling me I was being promoted.

He then put a video on which he'd secretly filmed of me pounding his missus from behind. He then explained that they both liked making secret sex videos and he wants me to keep shagging her.

How good is that?

DD, Glos

Nickie says...

THAT'S what I'd call a bonus!

BUY WITH CONFIDENCE FROM THE LARGEST WHOLESALE OF ADULT GOODS IN THE UK

Dear Nickie,

I'VE got a fetish for big penises, huge thick ones with plenty of rigid length.

They have to be at least eight inches long otherwise they do absolutely nothing for me. I get turned-on at the sight of them and can't wait to get out of my knickers.

I love to get both hands round them and pump them while seeing if I can get my mouth round the end before being filled by them.

But it means I have to go through an awful lot of men. I've suffered some tiddlers in my quest but I can say that, for me, big is best.

If any of your readers want to fill my slot can you forward their contact details, please?

VB, Herts.

Nickie says...

NOT if I get to them first!

Dear Nickie,

I WENT with a pal to a fancy dress evening with a Caribbean theme at a pub near me which had just come under new management.

Even though it was a bit chilly we both went in sexy and skimpy beach gear.

It was a lot of fun and the cheap rum punch flowed. I think I must have had a bit too much too soon as I was first up for the limbo dancing competition when it was announced.

The whole event was being run by a hunk who was a member of the steel band. He was quite a character and after goes he had to help me under the limbo pole a few times. I thought I might have a chance with him.

Later, I bumped into him in the corridor and we got chatting, leading to the inevitable request from him for a bit of a cuddle.

We kissed and I made it clear I was up for more than just that, so he led me into a room at the back of the pub, tugged down my bikini bottom and tongued me to ecstasy. He was magic with his mouth and I clamped my thighs round his head as I came.

I was happy to return the favour, pulling out his whopping member and sucking him to completion.

I want to seem him again but he left before I could get his number. What do you suggest?

MJ, Notts

Nickie says...

THINK of it as a holiday romance.

CASEY BATCHELOR

BIG Brother babe Casey Batchelor was the choice of avid *Sport* reader Mick Fields.

Trainee solicitor Mick, from Bath, wrote to us and pleaded for a photo of the stunning 31-year-old's massive norks.

The 26-year-old said: "I'm having a rough time at work at the minute and it would really make my day to see the gorgeous Casey Batchelor with her boobs out."

"Since she left the *Big Brother* house I haven't seen nearly enough of her or her huge rack."

Well Mick, you asked and we listened – here is Southend stunner Casey with her impressive 34GG's in all their glory.

CLAIR MEEK

TATTOOED beauty Clair Meek was the request of bar manager Steven Thwaites, from Nottingham.

The 41-year-old can't get enough of Clair's enormous boobs and asked us to include the Scottish scorch in this week's paper.

He wrote: "What happened to Clair Meek? I feel like it has been months since I last saw her boobs in the *Sport*."

"Help a fella out and print a picture of her, would you?"

MONICA HARRIS

BRIGHTON brickie Paul Charlton begged to see sexy Monica Harris's impressive rack in this week's paper.

The 29-year-old said it would make his day to see the 32-year-old model's funbags in the *Midweek Sport*.

He said: "Please can you print a sexy boobs-out picture of my favourite model Monica Harris in this week's *Show Me The Honey*."

"I can't remember the last time I saw the gorgeous Mackem and her pair in the paper!"

Satin Bloom says...

I HAVE never been a huge lover of watching porn – unless it's a saucy homemade video – I have always preferred just to wait until I can get the real thing. But if I'm single or really need to let off some steam then I don't need to watch other people doing it to get in the mood. I have a really vivid imagination and I find reliving past experiences gets me going more than porn.

Connie Jones says...

I'M so glad women are finally owning up to watching porn. Why should men get all the fun?! I love watching porn, whether it's on my own or with a partner, it really gets me hot and bothered. If I'm watching it with a man then usually I can't wait to jump him before the video's even finished!

Babes tune in every week for porn turn-on!

By JESS GALLEY

jess@sundaysport.co.uk

A THIRD of women confessed they tune in to watch PORN at least once a week.

One in three sex obsessed young women admitted to getting their kicks from online videos weekly, with the majority streaming them straight to their mobile phones.

And a whopping 10 per cent of kinky females revealed they have a DAILY porn habit!

The figures dispel the common stereotype that only men regularly watch skin flicks – and of the girls watching porn, almost all said they use free online websites to find content that turns them on.

The survey was carried out by TV presenter Amanda de Cadenet and Marie Claire magazine and quizzed 3,000 women on their porn habits.

Amanda said: "Porn is here to stay, and we have to learn to negotiate it as sexual beings ourselves, who may or may not be viewers, and as partners.

Images

"Using porn to cultivate one's own sexual agency is very different from what we often hear: that women feel threatened by it or watch it reluctantly in order to please their partner, and that Millennials' sex lives will be ruined by childhoods bombarded by online sexual images.

"Most of our respondents, at least, are using porn to find what they want, and to figure out how to please themselves."

More than 60 per cent of women asked said that they went online in search of heterosexual flicks – but almost half admitted to searching for steamy lesbian footage.

And 90 per cent revealed they choose to watch porn online because it is a 'quick road to orgasm'.

Of all the respondents, 76 per cent said that watching porn had no negative effect on their relationships, dating or sex lives.

Tea Johnson says...

I WOULDN'T say I watch porn every week, but I'm not shy about admitting I do sometimes have a browse online. These days there shouldn't still be a stigma attached to watching porn, and men always brag about watching porn so it's about time girls got on board, too!

GORGEOUS Tiffany Rousso admitted she is insatiable between the sheets.

It's no wonder the busty blonde stunna is never short of men chasing her for a date, looking at these jaw-dropping snaps.

And the 26-year-old babe, from Widnes, Cheshire, confessed she runs rings around most of her lovers

By JESS GALLEY

jess@sundaysport.co.uk

because she has an extremely high sex drive.

She said: "Personally, I just can't get enough sex. I would have it all day, every day, if I could."

"I wake up horny, desperate for sex, and I am absolutely gagging for it before I go to

sleep too. Sometimes that's intimidating for guys, because they feel like they just can't keep up.

"But it doesn't have to be full sex. I'm happy to satisfy my cravings by getting on my knees and treating them to a blowjob."

"But even if I'm single, I'm never short of offers from men - I think they're mesmerised by my huge knockers!"

THE BOOKIE BASHER

LET MICK LIVESEY PUT YOU ON TO A SPORTS BETTING WINNER!

WALK IN
MEMPHIS:
Depay can
strike for
United

THERE'LL BE HELL DEPAY FOR THE BOOKIES

MAN UTD v MIDDLESBRO

★ I am chasing headline winner number five in a row and I'm confident at the final whistle it can be high-fives all round when Man United dump Middlesbrough out of the Capital One Cup tonight.

I get a bit nervous with these cup games — you never know just how high on the list of priorities they come for the big clubs.

I get the feeling though that LVG is a winner and it would not matter if he was playing snap, he'd try everything in his power to win.

If he sends out the big guns of Martial, Rooney and Mata it will be a stroll in the park for the Old Trafford outfit.

One player who should play is Memphis who has been warming the bench of late and will be desperate to give LVG a selection headache with a mighty performance.

Middlesbrough had a big win away at Wolves at the weekend but, prior to that, they suffered defeats away at Cardiff and Reading.

They are a force in the Championship but the gulf between the two leagues is huge and being brutally honest it is getting bigger.

I can't see them getting anything at Old Trafford and there won't be much for the travelling fans to cheer.

Make United your coupon bankers at 3/8 but if you want something bigger then look at the 2/1 available for United to win and Memphis to score.

The Reds could break them down early in my thinking and it could also prove wise to have some of the 21/20 Utd to win HT and FT.

LIVERPOOL v BOURNEMOUTH

★ Will Klopp take the cup seriously is the burning question but, to be honest, he surely must.

This is a massive opportunity for

Liverpool to get going under Klopp and start to gather some momentum.

The German (below) has had striker problems, he was forced to turn to Origi and the hitman let his chance slip him by.

To say he's been poor is me being kind and tonight if Benteke is fit enough to start then I predict you'll see a very different outcome.

Liverpool need to grow in confidence and belief but the only way you can achieve that is by winning football matches.

The football gods are shining on Liverpool because their opponents tonight are Bournemouth who have conceded 10 goals in their last two games.

A 5-1 hammering away at Man City and a 5-1 home defeat to Tottenham.

I've been given plenty of stick by the Bournemouth faithful for making them my banker for relegation before a ball was kicked.

If they turn up like they have in their last two games they won't also be heading for the Premier League exit they will also be heading out of the cup.

I think 8/15 is a cracking price for a Liverpool victory but I know what you are all like and want something bigger, if you do look at 5/4 Liverpool to win HT and FT or Skrtel to score and Liverpool to win at 10/1.

LEEDS v BLACKBURN

★ It's war of the roses on Thursday night in the live TV game from the Sky Bet Championship with 17th placed Leeds (Yorkshire) taking on 18th placed Blackburn Rovers (Lancashire).

Both teams are in need of a victory

but I've a slight preference for the Lancashire outfit Rovers. They have Jordan Rhodes leading the attack and the striker is in a rich vein of form.

It won't be pretty so don't expect a spectacle but it should be just about entertaining enough to prevent you from changing channels.

Get on the away team to give Leeds the blues at 27/14 or if you want something bigger look no further than Jordan Rhodes to score and Rovers to win at 7/2.

DONKEY OF THE WEEK

★ Just who had me going eeyore this weekend; I have to say there are plenty of candidates like Matic, Origi, Terry, Mariappa, Sagna who all ended up on the shortlist but in the end it was a no contest.

The donkey of the week award must go to Artur Boruc (below) the Bournemouth goalkeeper.

He had a nightmare and the mistakes just kept on coming not only is he donkey of the week his performance was one of the dodgiest in top flight football we have ever seen.

To sum up his performance; I'd say it was a clumsy fumbled approach that culminated in mistake after mistake that gifted Spurs goal after goal.

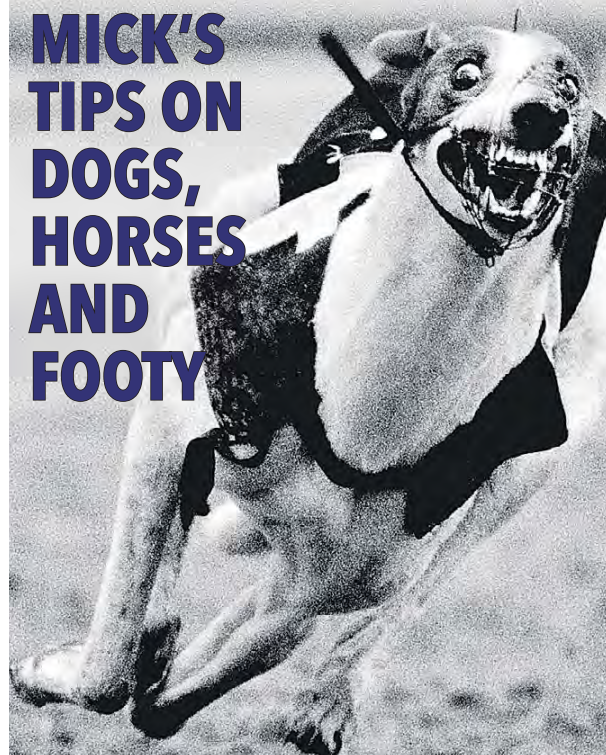

Don't take my word for it this is what you guys think

@Judd_14: Worst goalkeeping performance in the prem ever? #Boruc #Bournemouth
@MattBisogno: Be hard to find a worse goalkeeping performance than this. Blatantly at fault for four goals, certain penalty not given. #Boruc #Clangers
@jabbbbbb: This is legitimately the worst goalkeeping performance I've ever seen. #boruc

FORMULA ONE: HAMILTON'S GOT LOTS OF BOTTLE!**BOOZE CRUISE****Lew: I'll party my way to next title!**

LEWIS Hamilton says his new party lifestyle helped him to win his third Formula One title.

The Brit was largely teetotal until this season — but now he's more like the legendary James Hunt.

He was the ultimate party animal in the 1970s and Hamilton has been taking a leaf out of his book.

Since splitting up with long-term girlfriend Nicole Scherzinger, Lewis has been seen with a list of top totty — including Rihanna — and he's loving it.

Hamilton said: "I've been enjoying this year like . . . if only you knew."

"I've been enjoying this year like it was my last. It has been unbelievable."

"I was in Miami last weekend and had so much fun. It's just work hard, play hard."

I've struck a really nice balance. At some points I think, 'This is on the limit', and then I get in the car and drive the way I do. I don't know if it's James Hunt — it's a different thing."

And he says his playboy lifestyle hasn't knackered him out for the day job. Hamilton added: "I'm a bit tired sometimes, then I turn up, I get energy from the fans, I get energy from the team, I get in the car and I feel great."

"I don't see any reason to change. It's a really positive lifestyle. I travel like crazy, which I like. Up until last year I didn't really drink a lot. That's changed a lot this year."

"You would be really proud if you knew how much I consumed."

By JOHN ANTHONY

I'll definitely be having a drink tonight.

"The next couple of months is party time."

"I've got my mum's 60th coming up, I've got friends' events coming up, I've got more races to win, we've got the team end-of-year party, we've got Stars and Cars, jeez man."

"I've got to get some good sleep because there's going to be a lot of partying as far as I'm concerned."

Hamilton has moved to repair the rift with team-mate Nico Rosberg, who threw a cap at the Brit after the last race in Texas.

Lewis said: "I gave Nico the cap and said: 'There you go mate.'"

"And then it came back at me. He was disappointed with himself for his mistake."

"The emotions are sometimes unbearable. I don't take anything from it."

Irish face Sarries in New York

RUGBY UNION

LONDON IRISH will play their Premiership game against Saracens in New York.

The game will take place at the home of the New York Red Bulls in March.

Rugby is growing in popularity in the States and London Irish are hoping to boost the sport's profile across the Atlantic.

New York has a big Irish population and the game will be part of the city's St Patrick's Day celebrations.

Chief executive Bob Casey said: "This is an enormous opportunity for London Irish and a chance for our club to gain exposure in one of the biggest sporting cities in the world."

History

"The New York region has a significant Irish community and is renowned for its annual St Patrick's Day Parade, so it's the perfect time for our club to venture into this market."

Premiership chief executive, Mark McCafferty, added: "This is a significant day in the history of Premiership Rugby, and one that has taken a number of years and a lot of hard work to bring to fruition."

"Premiership Rugby is the most competitive league in world rugby with a fast-growing following outside England, and we are delighted to stage a competitive match in the USA."

"We firmly believe this will be a great success and will showcase live Premiership Rugby to a new audience."

Tickets for the game will go on sale later this week.

JOS WARNED BY LIONS BOSS

CRICKET

JOS BUTTLER looks set to be dropped for England's third and final Test against Pakistan.

The Lancashire wicket-keeper is in the middle of a nightmare run with the bat with only 156 runs in his past 12 innings.

That is shocking form and he looks set to be replaced by Jonny Bairstow when the series heads to Sharjah.

Coach Trevor Bayliss says Buttler still has a bright future for the Three Lions but stopped short of staying his place was safe.

He said: "Obviously with Jos Buttler's wicketkeeping position, it's no secret he's been a bit out of form — and he knows he needs runs as well. That's a position we

will sit down and discuss in the next couple of days."

"We know Jos is a quality player, and I think he'll play a big role in England's future going forward."

But like most blokes who have ever played the game, everyone's been through a bit of a rough trot and this is one of his rough trots.

"I think he's a quality person and player. We'll see a lot better out of him in the future."

England go into the final game of the Test series trailing 1-0.

As well as the middle-order failing to fire, Moeen Ali has struggled to score at the top of

the order. His place isn't in danger because of his improving spin bowling — but he might move back down the order.

If Buttler is dropped, it gives the chance for Alex Hales to come in alongside Alastair Cook — provided the skipper is over his own injury problems.

But it seems as though Bayliss is willing to give Moeen another shot opening the batting.

He said: "As everyone's aware, the opening batting position hasn't been a success as yet."

"Personally, I think I'd like to give Moeen another opportunity."

"He's a quality player. Yes, he's in a position he's a little unfamiliar with — but he's a guy

who wants to do it. To me, someone who wants to go out there and do it — that's a guy you want in your team."

On the plus side, England batsman Joe Root has overtaken Aussie Steven Smith at the top of the world rankings.

His 88 and 71 in the last Test was enough to see him named world No1.

Cook is the other England man in the top 10, while James Anderson and Stuart Broad are third and fourth in the bowling standings.

Pakistan's Yasir Shah has moved up to second spot after his strong showing against the Three Lions.

Capital gains from backing big boys

THE draw has been kind to the big boys in all four Capital One Cup games tonight and we have an enhanced acca of 7/2 at BetVictor for Liverpool, United, Saints and City all to win in 90 minutes.

We saw a morning gamble yesterday for Justin Edinburgh (4s from 66s) to be the next Villa boss but that was surely a complete overreaction to a couple of speculative fivers and tenners and, at the time of writing, the Gillingham boss is out to 12/1 with Remi Garde 8/13 fav.

Villa are 4/11 to be relegated and 7/4 to stay up, which highlights just how big a job it is at Villa Park.

They are 7/1 to win at St Mary's this evening and, with the matter of Man City at the weekend, these are tough times.

Gaston Ramirez sounds like the villain in a Disney movie but I thought the Saints' wide-man played well in his brief

7/2 A TASTY SPECIAL OFFER

cameo at Anfield on Sunday and if he gets a start the 4/1 for him to find the back of the Villa net might be big.

Liverpool's only home wins so far this season have come against Bournemouth and Villa and Jurgen Klopp will be keen to get that elusive first win under his belt against the Cherries.

After a decent start, Eddie Howe's men are without a win in five and were thrashed by Spurs on Sunday when it'd be fair to say keeper Artur Boruc failed to cover himself in glory.

Liverpool are at Stamford Bridge on Saturday, but one could argue, the Capital One Cup is the Club's best chance of a Trophy this term and they are 1/2 at BetVictor to make it through to the last eight in 90 minutes.

Bournemouth are 6s to cause a shock and a fourth successive draw for the new Reds' boss is 17/5.

Christian Benteke scored the only goal of the game in the Premier League fixture between the sides back in August, and the Belgian is likely to start ahead of Divock Origi who had a Boruc day against Southampton.

Benteke is 16/5 to score the opener and his headed goal against the Saints was worth the admission money alone. Benteke is 4/6 to be the top Liverpool PL goalscorer with Sturridge 5/4 in what is virtually a match.

★ The draw for the Breeders' Cup Classic in Keeneland took place yesterday and Triple-Crown winner American Pharoah has been given an excellent

stall in four while the mare Beholder is outside in 10.

As a result American Pharoah is 5/4 from 7/4 at BetVictor for the race on Saturday night with Beholder 4s from 7/2; dual classic winner Gleneagles is drawn in stall five but can't possibly live with the Americans on dirt can he? He is 12/1 from 10s.

At Fakenham today DAINTY DIVA (3.10) cannot be opposed in the 2m 4f Handicap Hurdle given he runs off the same mark as when winning a conditional jockey's event at Fontwell last week and it should be worth noting that he is also entered at Uttoxeter on Friday. This looks an excellent piece of placing by Jeremy Scott and Nick Schofield takes over in the plate.

Kane: I'm able to race up goal chart

HARRY Kane has warned Premier League defences to watch out after his emphatic return to scoring form.

The Spurs hitman had notched just one goal before his blistering hat-trick against Bournemouth at the weekend.

And he has set his sights on struggling Aston Villa as he bids to get his golden boot campaign back on track.

Kane said: "Hopefully I can continue my scoring form into the next game."

"I know I can score goals, I just have to keep getting in the right position and working hard and they will keep coming. You have to believe in yourself and in your ability."

"My confidence has always been there and I've been playing well, getting chances but sometimes you need a bit of luck to come your way and I got that against Bournemouth. "Sometimes as a striker you need a bit of luck to come your way and I got that and you have got to be ready to take your chances when they come."

Kane has a slight knee injury but Spurs don't play again until Monday so he should be 100% again to face the Villans. He added: "The knee is alright, that was just some precaution strapping there just to make sure it wasn't too bad."

"It should be fine for the next game."

MIKEL HAS ART TO BE TOP BOSS

By BRENDAN MACKIE

ARSENE Wenger has backed Mikel Arteta to make a top boss when the Spaniard hangs up his boots.

The 33-year-old has lost his place in the Gunners side this season, although the injury to Aaron Ramsey gives him a chance to win it back.

But Wenger says the former Everton and Rangers man has a lot more to offer than just his neat passing.

The Arsenal gaffer says Arteta has a lot of influence on his team-mates.

And he hopes he puts that to good use when he finished playing.

Wenger said: "I really hope Mikel

considers going into coaching. When you manage, you want to see your players continue and see them give their experience and knowledge back."

"Mikel has a huge influence even when he is not playing."

"He is super conscientious, and every morning two hours before training he prepares and that is absolutely right."

"It would be great if someone like Mikel went into management, so somewhere the spirit of our game can survive through the players who have played for us."

No go for Becchio, says Leeds gaffer

NEW Leeds boss Steve Evans has told fans that former favourite Luciano Becchio will NOT be returning to Elland Road.

The Italian was a big hit when spending four years in Yorkshire, scoring 86 times for United and Evans is a fan from his spell at Rotherham.

But the gaffer says there is no truth to the rumours that the 31-year-old will be back at Leeds on loan.

He said: "I've had no contact with Luciano so the rumours about him are news to me."

"I had a great relationship with him at Rotherham and he's a terrific lad but I've not spoken to him for about 12 months now."

"If he's in Leeds, whatever the reason, I'd be very happy to catch up with him for a coffee but only for a coffee."

"He was very good for us at Rotherham but it took us six or seven weeks to get him properly match fit in the first place. With where we are at just now, we're looking at players who can come in and make a difference immediately."

FLOP: Falcao

Falcao's in a Russ to get out of England

ZENIT ST PETERSBURG want to rescue Radamel Falcao from his Chelsea nightmare.

The striker has been a massive flop since moving to Stamford Bridge from Man United — where he also struggled.

The Colombian has scored just five times in 35 appearances for his English clubs.

But that hasn't put off former Spurs boss Andre Villas-Boas, who wants to bring him to Russia.

Falcao is still a Monaco player and it was hoped that Chelsea would shell out to make it a permanent deal to bring him to Stamford Bridge when his loan ended.

But that doesn't look likely now and both the player and his agent would reportedly like to get out of the Premier League.

Villas-Boas wanted to get a permanent deal done in the summer, but Monaco were asking for silly money because Chelsea were on the scene.

The 29-year-old was a big hit the last time he worked with the Portuguese, as they won the Europa League together in 2011.

Kids boosted by Roo testimonial

WAYNE ROONEY is hoping to raise £10million for charity from his testimonial.

The United skipper will be honoured for his time at the club with a special match next August.

All proceeds will go to children's charities and he's looking forward to the occasion.

Rooney said: "I would like to thank everyone involved in making this testimonial become a reality.

"Most of all I want to thank the fans for all their incredible support for me and the team since I joined the club.

"The match night will obviously be special for me and my family, but I hope it will be a celebration and that we can also deliver one or two surprises.

"Most of all I hope the fans will come out in force and help raise as much money as possible for these amazing charities."

HE'S THE RON: Pearson is backed by ex-Villa boss Ron Atkinson (below) for the job

Pear we go!

BIG RON URGES VILLA TO MAKE PLANS FOR NIGEL

NIGEL PEARSON is the man to keep Aston Villa in the Premier League.

That's the verdict of Ron Atkinson, who bossed Villa to their last successful period in the 1990s.

Former Lyon boss Remi Garde is the front-runner for the job, with punters also latching on to Gus Poyet, who has been heavily backed to join the Brummies.

But Atkinson thinks they would be wrong, as Villa need a scrapper to preserve their top-flight place.

Leicester were in a much

By PAUL THOMAS

worse position than the Villans last season before mounting a great escape.

And that makes Nige the ideal man for the job. Atkinson said: "For me the obvious candidate, of the people available, would be Nigel Pearson.

"He did a phenomenal job in getting Leicester out of trouble last season.

"He knows the players, he knows who is about and how to get them out of it, because there is a technique to it.

"You wonder about a new

manager coming in, particularly a foreign one, who has a good reputation, you just wonder whether his style of play is suited to survival.

"You can't come in and expect to play like the Arsenal. They have got to come in and dig.

"They have got to fight and scrap and scramble their way to safety."

Tim Sherwood was given the bullet after six defeats on the bounce saw Villa plummet to the bottom of the table.

The 43-year-old copped no

less than £2million in compo for being sacked.

There were also other costs from getting rid of assistant boss Ray Wilkins and coach Mark Robson.

Realistic

That's left Kevin MacDonald in charge for tonight's Capital One Cup visit to Southampton.

While several clubs consider the competition a bit of a nuisance, they love it on the south coast.

Every ticket has been sold at St Mary's for the Villa

clash, with a 32,000 full house expected.

Striker Graziano Pelle shares the supporters' excitement.

He said: "We want to do the best we can. Try to win every game, but never has a team won every game in a season.

"So we have to be realistic and try to achieve what we deserved during the working process in this season.

"We have to work hard every week to improve.

"At the end of the season, we will see, but we want to achieve as much as possible."

NO GOODI-BYES YET FOR JAGS

EVERTON boss Roberto Martinez says Phil Jagielka's career is not over.

The Toffees' skipper will be out for more than two months with a medial knee ligament injury he picked up at the weekend.

The Spaniard admits that Jagielka (left) is a "huge miss" at the heart of Everton's defence.

The defender was out for six months in 2009 after rupturing his cruciate ligament and it was thought he had done it again.

But Martinez is not concerned about the 33-year-old coming back from another serious injury at this late stage of his career. The Everton gaffer said: "It

By MARK NAYLOR

becomes a concern when a player of his age starts getting soft-tissue injuries, that's the red alert, but Phil's injury was just an accident from two players coming together to block the ball.

"It is really good news that it is only the medial ligament.

"It takes a long time to recover, seven to nine weeks I would say.

"His form has been incredible for the past 12 months.

"Especially when you look at what he has had to take on with the number of young players

coming in around him and the continuity he has helped to provide."

And Martinez thinks England boss Roy Hodgson should stick by Jagielka and put him back in the side as soon as he's fit again.

Custodian

The Spaniard added: "Phil has been adapting really well to his England role and I think there has been a real difference since the World Cup in Brazil.

"Every time he performs for England now it is like watching him play for Everton.

"It's a good sign for any player when he can perform at

international level as he does for his club and it shows maturity."

Martinez also says it's about time he won a trophy for the Goodison faithful.

They have been potless since winning the FA Cup in 1995 and the Spaniard wants that to end.

He said: "Everton is a historic club of the British game and as the manager you are the custodian of that history.

"That means winning titles and being in positions to develop excitement around the club.

"That is what we are working towards. But Everton, with the history we have, we have to be looking to win titles."

DELAYED: Aguero

No Serg back to fitness for Aguero

Manchester City v Crystal Palace

Wednesday, 7.45pm kick-off

SERGIO AGUERO will miss his comeback target of Argentina's next match.

The City striker has been left out of the squad for the Argies' clash with Brazil on November 13.

It's a blow for the hitman who was still hoping to make it for the South America grudge match.

He was reportedly making swift progress towards a comeback from the hamstring injury he picked up against Ecuador in the last qualifiers.

City fans won't be happy either as it means they will have to watch Wilfried Bony leading the line against Palace tonight.

The stand-in striker has copped plenty of stick since the Manchester derby, when he struggled to have any impact at all.

His quiet display just about summed up his City career so far since his £25million move from Swansea in January.

Tough

He has scored just four times in 18 appearances and has been hit by a run of injury and illness problems.

Despite Aguero being on the sidelines, there is pressure on Bony from Kelechi Iheanacho, City's 18-year-old Nigerian.

He is starting to make an impact and has already opened his City scoring account.

That has led to calls for him to be given a run of starts to gain valuable experience before Aguero returns.

But the teenager says Bony is a role model, not a rival.

He said: "Wilfried is a very good striker who is strong and intelligent and he talks to me all the time and advises me.

"We sit together in the dressing room and he's like a big brother to me.

"As for me and my own progress, I just have to keep working hard in training every day - with hard work I think I can go all the way, so that's what I'll keep doing and hopefully I can do great things for City in the coming years."

CAPITAL ONE CUP: MAN UNITED v MIDDLESBROUGH WEDNESDAY, 7.45 KICK-OFF

I'M A VAN FAN!

DUTCH MASTER: Karanka learnt indirectly from Van Gaal (below)

Boro boss looks up to United chief Lou

By ANDY MILLOM

MIDDLESBROUGH boss Aitor Karanka is worried about his players being starstruck at Old Trafford — because he will be!

The Teessiders head to Manchester for the last 16 of the Capital One Cup and the Spaniard is looking forward to sitting alongside Louis van Gaal.

The pair crossed swords when Karanka was on Jose Mourinho's staff at Real Madrid.

The 42-year-old is making a name for himself at the Riverside, having reached the Championship play-offs last season.

They have made a solid start to this campaign and the cup clash will give them a chance to see how close they are to Premier League standard.

Karanka said: "I played against Van Gaal's team when he was in Barcelona and Jose was his assistant.

"Jose told me all about his CV, his trophies and his career and he is a top, top manager.

"He's an interesting coach and he is particularly interesting for me, because I have learned with Jose and Jose learned from Van Gaal.

"I took the lessons from Jose so I feel I have learned from Van Gaal too.

"Jose always speaks very well of Van Gaal and he said that he learned a lot from him when he worked with him.

"He said he has mixed things like everybody to make himself better.

"Everybody has to take the good things from relationship and he considers Van Gaal positively.

"I am my own manager, but as

I learn I would like to think I have taken positive things from strong relationships I've had."

For United, Phil Jones wants to keep his place in the side for the Boro visit — because he knows it will be hard to get back in if he sits it out.

The big centre-back (below) spent some time in the stands at the start of the season after suffering from a thrombosis.

And he doesn't want to repeat the experience.

Jones said: "It's just one of those things, you can't control it.

"It was one of the most frustrating periods of my career, sitting out at home not being able to do anything much.

"I don't think anyone will ever realise how hard it is at times. But I don't want any sympathy. I am just happy to be back.

"You just have to forget about it and move on."

And Jones says he can cope with the club being linked with every top-class defender in Europe.

He added: "We are Manchester United.

"We are always going to be linked with Ramos or Hummels or whoever it is, we are always going to be linked with players.

"It's not a problem. It's something you have to deal with.

"That is football for you, but you have to battle your way through and show people.

"If you can't cope with that you don't deserve to be at the club.

"We are at one of the best clubs in the world. I would be a bit worried if we weren't linked with the best players in the world."

RANI RULES OUT VARDY SALE

By ANDY MILLOM

LEICESTER manager Claudio Ranieri has told rivals that Jamie Vardy is NOT for sale.

The Foxes boss has laughed off suggestions that his star striker will be leaving in January.

Clubs of the stature of Real Madrid have been linked with the forward after his blistering start to the Premier League season.

Vardy (left) has already banged in 10 Premier League goals and scored in his seventh match in a row at the weekend.

He is only one year into a deal that lasts until 2018 — but when has a contract ever stopped a player getting a move if he's

determined to push it through. Just ask Raheem Sterling or Luis Suarez that question!

But Ranieri is determined to put up a real fight to keep Vardy — and might put a new deal in front of him on massively boosted wages.

He said: "He is happy with us, he's happy with his contract and that's important.

"Maybe we can do something at the end of the season, with a lot of goals scored.

"Speculation is good because football is speculation, but it's

important me and my players are very focused about the pitch.

"He is very happy here and we don't want to sell him, it's clear. When I look at him he feels good and that's important."

Aggression

But Ranieri understands that if a club of the stature of Real Madrid was to come knocking, there would be very little he could do about it.

The boss added: "If Real Madrid or some big names want to buy him they have the money to buy him.

"The valuation is made by the owners not me. Not many teams

can buy him now. It is important Jamie enjoys being here and I can also understand if he wants to go to find a great club, but it would cost a lot."

Leicester keeper Kasper Schmeichel says he can understand why the big guns are circling around Vardy.

The Dane said: "From the day he stepped in the door I've been the biggest Jamie Vardy fan.

"He epitomises everything I love about football — his aggression, his mentality and the way he works for the team.

"At the moment, he's the best striker in the Premier League."

EAGER: Costel Pantilimon

Toffees next to feel Cost of Sun's fun run

SUNDERLAND goalie Costel Pantilimon has warned Everton that they are next for a beating.

The Black Cats have already put their fantastic Tyne-Wear derby win behind them and are focusing on Saturday's trip to Goodison Park.

Sam Allardyce's side ran out comfortable 3-0 winners over the Magpies as they picked up their first victory of the season.

And Pantilimon wants to keep that momentum going into the Everton clash.

He said: "We enjoyed Sunday, but we're already thinking about the next game."

"One win is not enough. We have to continue like this."

"We have to learn from the past, to be more focused and concentrate on the next game."

"It's important for the group to have a good run now."

"We're not in the best position and we need a few good results."

"If we hadn't won on Sunday, the gap would have been massive."

"It's not easy when you look at the table."

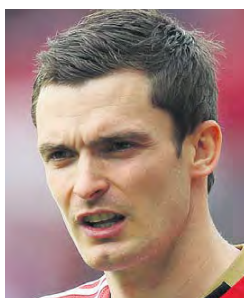

Shine

"When you are so close to winning in a few games and you don't succeed in that, you lose a little bit of confidence."

"But I hope with this massive win for us and the fans, we can start winning games regularly now."

Big Sam restored Adam Johnson to the side for the derby and he was one of Sunderland's star men.

Now the boss wants to see him show his

**EXPERIENCED:** Johnson

international class and help the Black Cats climb out of the bottom three in the table.

Allardyce said: "Adam is a match-winner for us."

"He's got that much ability and we want him to shine and express himself that way on a regular basis."

"I would say that about everyone who has Premier League experience here."

"Use that experience to your advantage and help the team get out of the situation we are in at the moment."

CAPITAL ONE CUP PREVIEW:

KLOPP STURRS THE POT

German to make changes as star striker ruled out again

JURGEN KLOPP will shake up his Liverpool side to face Bournemouth tonight – only because he wants to win.

The German has confirmed that Daniel Sturridge is still on the sidelines with a knee injury and won't figure.

And he's missing James Milner through suspension as the Cherries come to town.

But the Kop boss says he has respect for the Capital One Cup and isn't treating it lightly.

Klopp said: "Sturridge is getting better, but not quick enough to change the situation for us."

"I don't know how many changes will we have to make yet."

"It's a very, very important game but I know we have a

By **PAUL THOMAS**

lot of games in the legs so we have to change.

"I'm not long enough here to understand English cups."

"For me it's all the same, I want to win games."

"I make the changes not because this tournament isn't important for me."

"I make changes because I want to win the game."

It has been a frustrating start to life at the Kop for Klopp, who has seen his team

draw all three of their games. The two Anfield matches have been particularly

patchy, with Liverpool managing to blow a lead

against Southampton and

Rubin Kazan. The German has urged

his players to have more confidence and less fear

when they take score the first goal in matches.

But he says he has faith in the current squad and thinks he can do a lot with the players who are already on the books.

He said: "My faith in this team is really big."

Praised

"We had results, not the most satisfying results in the world, but we didn't have easy opponents."

"Tottenham away, not easy, Rubin Kazan, not easy and Southampton have lost none of their away games this season."

"I have no problems with this. I knew that when you're new in a club you have to accept that the way is hard."

"We don't have friendly games to get better. I didn't

expect that things would happen any quicker when I joined the club. We have a really good working atmosphere."

One area that Klopp has been praised for through his career is a willingness to give young players a chance.

Many on the Kop are only too familiar that there is no Scouser in the first team now that Steven Gerrard has packed his bags.

Full-back John Flanagan might break through when he's fit again and Jordan Rossiter is on the fringe of the squad.

Klopp says he's looking for every opportunity to blood the youngsters – but he can't do it if the players aren't good enough.

The boss added: "We have young players and want to help their development. We

REBUILDING: Howe

Eddie shows Howe he can make a new team

CHERRIES boss Eddie Howe says the club's injury crisis means he is effectively building a whole new team.

Bournemouth have been very unlucky to lose top scorer Callum Wilson and other key men in Harry Arter, Tommy Elphick and Max Gradel.

Their Premier League results have suffered after a bright start and they copped a 5-1 hammering against Spurs at the weekend.

Now they face a tricky visit to Anfield in the Capital One Cup.

And Howe knows he must start rebuilding — and fast.

He said: "The injuries have really rocked us."

"We have lost a bit of our identity and losing key personnel has changed a lot about the side and that is not ideal for us."

"It has been difficult at times to try to find the right balance as we look to take the team forward as best we can."

"My biggest challenge now is to try to rediscover the balance with different personnel."

Clapped

Howe is pointing to the club's experience in the Championship when they struggled during their first season after promotion.

They turned that around and went up the following year.

The gaffer said: "People can have very short memories in terms of those moments because everyone thinks we have just run through the leagues with no issues at all."

"Anyone who has been here every week certainly knows the reality is totally different."

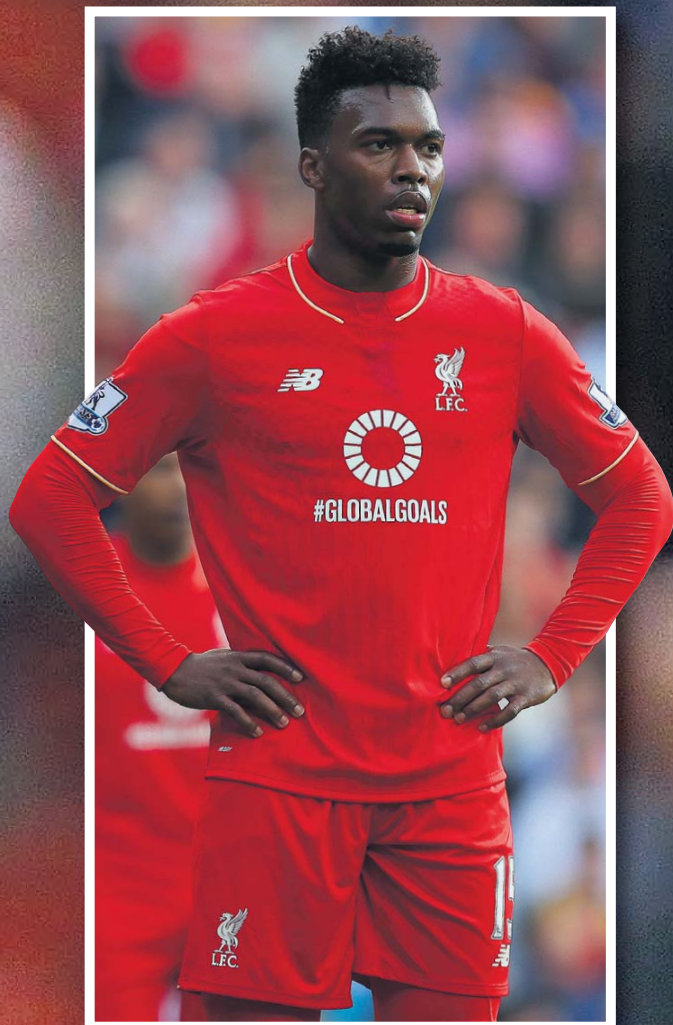

"You have good and bad spells."

"The most important thing we have always shown is we have stuck together as a football club and the supporters are key to that."

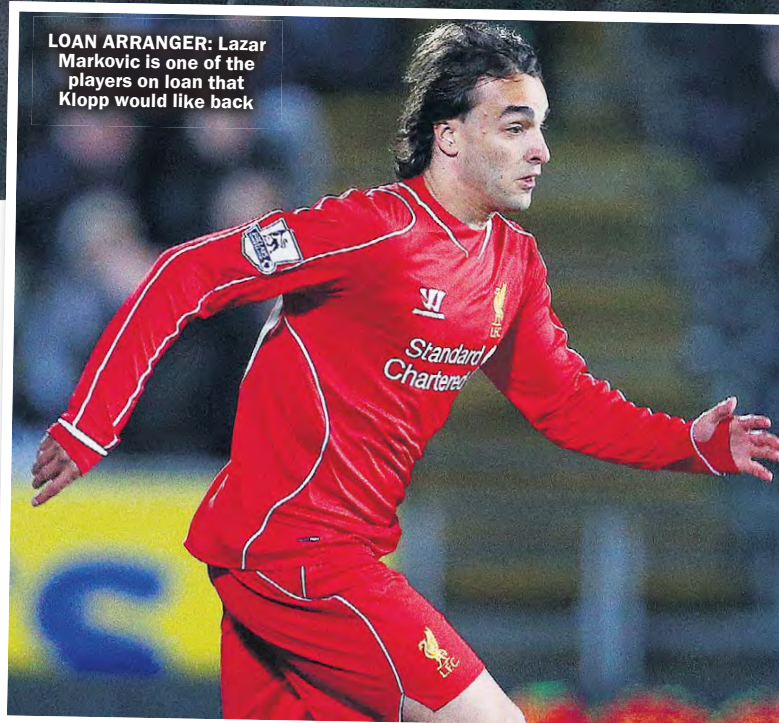

"I thought they were magnificent for us against Spurs."

"It must have been very difficult for them seeing their team beaten convincingly on their own patch and yet they still clapped us off."

"If we are to have any chance of achieving our goal this season we are going to need that to remain."

LOAN ARRANGER: Lazar Markovic is one of the players on loan that Klopp would like back

must give them time — that is very important.

"But I don't think it's possible to bring through players just because they are local."

"We have to learn we have to give these players enough time for improvement."

"I spoke for a long time with the chief of our academy."

Frustrated

"Developing our own players is a reason why I'm here. We all want to be successful."

"But maybe I'm more patient than other people."

There are two young players that Klopp would like back in his ranks but both are currently on loan in Europe.

Lazar Markovic cost £20million from Benfica just 12 months ago.

He failed to make much of an impact for Brendan

Rodgers and was farmed out to Fenerbahce on loan.

His midfield running is right up Klopp's street and he would like him back to bolster his injury-hit squad.

Similar comments apply to the lesser known German player Samed Yesil. He signed for the Reds three years ago and the 21-year-old is at FC Lucerne in Switzerland.

They are bossed by former Red Markus Babel, who reports that the attacker is doing well.

Klopp wants them back, but feels frustrated by red tape.

He said: "I don't understand the loan rules in this country."

"In Germany they are very different and you can bring the players back. It doesn't seem to be the same here."

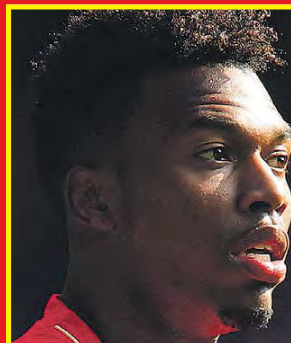

The boss has also spoken to Mario Balotelli, but there are no plans to bring him back.

LOURINHO SET FOR ENORMOUS PAYOUT

£30M

By PAUL THOMAS

IT would cost Chelsea a stunning £30million to sack Jose Mourinho.

The Portuguese is thought to be on the verge of the boot after a disastrous start to their title defence. But Chelsea owner Roman Abramovic is thought to be more concerned by Mourinho's conduct off the pitch than the poor results on it.

He was sent to the stands at West Ham at the weekend and is facing another FA charge that could see him BANNED from Stamford Bridge for a Premier League match.

But it will be expensive to get rid of Mourinho.

He has only just signed a massive new contract and it would have to be paid up if Abramovich wants to show him the door.

Meeting

Now it looks as though referees have had enough of Mourinho's brattish behaviour.

Former whistleblower Keith Hackett says the Chelsea boss needs showdown talks with the men in black.

He said: "The public spats involving the manager of Chelsea need to be dealt with immediately in a face-to-face meeting."

The news of Mourinho's problems in London is music to the ears of Paris St-Germain.

The French giants are not impressed with current boss Laurent Blanc and would love to welcome him to Parc Des Princes.

They are willing to match Mourinho's £8.5m annual salary and talks are already reported to have been opened.
